

# King's Sports Bulletin

Volume 19 No 3

October 31 2006

**HIGHLIGHTS** in this issue are .....

- We are proposing to add a new section to the Bulletin for forthcoming editions – **Know your Teams**. One or two teams will be highlighted in each edition.

I will require each team captain or representative to supply Jill Gribble by e-mail a high resolution Photograph (300 dpi) of your team. The photo can be either formal in kit or after practice or a match or in an altogether different situation – as long as it is sensible!! The picture should be supplied as a J Peg attachment. In your e-mail you should also supply a list of team members names identifying each person. Also please add a caption and two or three sentences about your side describing how you and other people see yourselves.

Please supply your information ASAP. If you require more info or assistance please speak to Jill Gribble, the Gappies or Mr Shingles.

Sunday 12 November

**English Schools Swimming Association**  
**Division 2 Championships - Europa Pool, Birkenhead**  
 Approximately eighteen schools from the North West competed. The standard was very high but our boys and girls swam some superb times

**U16 Inter Boys**

Year 10  
 Tom Gilsenan  
 Daniel Cotterill  
 Alex Eyre  
 Jonathan Ratcliffe

Swimming a year underage the boys team achieved 2nd place in both the Freestyle and Medley Relays only to be pipped by Lancaster Grammar School on both occasions.

**U14 Junior Girls**

Year 9  
 Katherine Edgar  
 Jenny Wilson  
 Year 8  
 Alice Bailey  
 Year 7  
 Maggie Auslander

The girls' team swam exceedingly well in the Medley relay to achieve 3rd position, beaten by Queens and Merchant Taylors. In the Freestyle Relay they achieved 5th place.

The twelve fastest times from all of the divisional competitions around the country are invited to swim in the National Finals in February and so our boys have to wait to see if their times qualify. As all are eligible to swim in the same age group next year this bodes well for King's swimming.

Well done to everyone.
