Saturday 1 December.2007

v Newcastle-under-Lyme School

The Under 16XI and Under 15XI played on the Astro at NULS

The U16s match was a delight to watch. The superb display of passing and interplay by our girls was greatly admired by the staff of our opposition. The result was a very justified 4 - 2 win to King's, a superb hat-trick of goals from Caroline Shorland and one very brave and determined run from just on half way line to finish with a stunning goal from Sophie Fox.

Unfortunately the U15s lost 5 - 0 yet it was not as one sided as the result might imply. The players in this team are gaining in knowledge and understanding with every game. NULS is always a tough match.

The U14s and U13s played on the Astro at Clayton College in Newcastle.

The U14 achieved a well deserved WIN 2 - 1 (Niamh Burke and Becky Grimes.)

Hannah Gradwell 's goalkeeping skills were fantastic.

The U13s put lots of pressure on the NULS team but sadly just couldn't put the ball in the goal. The game ended 1 -0 to NULS.

Saturday 8 December

v Rydal Penrhos

U16	won	2-1 (Jess Quinlan, Virginia Coates)
U15	lost	1-3

The U15 game was very exciting unfortunately we lost our one goal being scored by Stephanie Main.

SAILING

This is the third season in which the school has had sailing on Monday and Tuesday afternoons for pupils in year ten and eleven. Average group size is ten and all

sailing abilities are catered for. It is just as exhilarating for a beginner to sail in an Optimist in a Force Four as for an expert in a Laser in a Force Six.

School now has five Lasers, as well as a Laser Pico and a 420 for these sessions so there is plenty of scope for high speed reaches, dramatic capsizing as

well as serene cruising and silly games. This year Sixth Form sailing was reactivated and even without James and

Nick was a big success. Many thanks to Mr Knowles for his skilful help in keeping the boats repaired and on the water. His next project is to try to beef up the pintles and gudgeons on our Toppers. See you on the water in April. Don't forget to look out for the Cumbrae letter if you want to sail in the Clyde in July.
