NETBALL

Under 15 Cheshire County Tournament

After all the atrocious rain and gale force winds recently we were delighted that the sun was shining brightly. We were in a table that consisted of seven teams and it was going to be a tough competitive morning.

Our first game was against Bishops and we found ourselves 2-0 down at half time. Once the girls had

settled down and got into their rhythm we managed to pull the game back to 2-2. Emma Butterworth and Hannah Murphy defended well and with thirty seconds to go we managed to get the winner, final score 3-2 to King's.

The girls fought hard all morning and produced some good netball. The results don't really do the girls justice. More importantly they always showed their total commitment and never showed any signs of giving up. Well done to all of you –Emma Butterworth, Hannah Murphy, Melli Shannon, Heather Beard, Charlotte Duncan, Petra Gillian, Mya Salehin and Katie Pickering. With commitment, enthusiasm and improvement the under 15's will continue to improve.

GIRLS' HOCKEY

Saturday 23 February

v Withington School

Under 16XI lost 2 - 1
In a very evenly matched contest unfortunately we lost.

Under 14XI drew 0-0
We showed great improvement in team work and individual skills. County player Victoria Lomas in particular demonstrated great determination and fine stick work and Bryony Duckham's work rate was most impressive. This was a good practice in preparation for next week's U14 county tournament.
