

King's Sports Bulletin

Volume 20 No 6

July 2008

HIGHLIGHTS in this issue are

Ben Marsden's second century of the season.

CRICKET

The school have now had over 75 matches. The weather has been much kinder this year with only 10 cancellations. All teams have progressed well and are still in their various cups. U13's play Birkenhead on Friday U12's West Hill next Tuesday with matches to be arranged for the next rounds of the U14 and U15 cups.

Good individual performance in all teams but of special note is Ben Marsden's 124* v Newcastle (his second century of the season). Other highlights are two good performance from Jimmy Lomas in the 1sts with 40's against Newcastle and Lancaster and an excellent 69* from Mike Walsh v Newcastle. The U12's who have struggled at the start of the season had an excellent result against Lancaster on Saturday bowling them out for 63 - Adam Siddall took 7 for 5 including 5 wickets in one over - a feat I can't remember happening before for King's.

145 different players have represented the school so far this summer.

Hopefully the sun will shine for the second half of the season and we will get in more cricket.

ATHLETICS

Tuesday 13 May

English Schools' Track and Field Cup

I am delighted with our Junior Girls' team who performed exceptionally well and came first out of ten teams. We will go through to the North West regional round with this result. Unfortunately the Inter team did less well finishing in sixth position out of ten teams

English Schools' Athletics Cup

North West Regional B finals

The Year 7 and 8 Girls' Athletics team did exceptionally well at the regional finals in Warrington, despite the very wet conditions! Out of eight schools competing we came first. Unfortunately there is no further event to compete in (only the A Finals move onto the National round) so we are determined to make it to the A finals next year!
