Girls Hockey

Saturday 15 September

v Withington Girls' Grammar

U16 lost 2-1 (Caroline Shorland)

U15 won 1-0 (Hannah Sugden)

This was a momentous occasion as it was their first win ever! The team has worked so hard on all aspects of the game and deserved this result. It was a closely fought match which required full concentration and team effort at all times.

U14 lost 1-0

U13 won 3-0 (Maddy Coutts, Holly Smith, Lara Knowles)

This was a good positive start to the season despite the defeats.

Wednesday 19 September

v St Edward's College

1st XI lost 5-0

This was a tough match particularly for the start of the season with a scratch team against strong opposition. Ours was a creditable performance and although we were 2-0 down at half time we had put St Edward's under a lot of pressure and it felt as though the situation was not insurmountable. Unfortunately due to an injury King's had to pay the whole of the second half with only 10 players and therefore were extremely unlucky to finish 5-0 at full time.

Saturday 22 September

v Wilmslow High School

U14 XI lost 0-2

U15 8 a side won 4-0

This was a convincing win. Goals were scored by Alix Davies (2), Lisa Bianco and Hiba Kokan).

v Lady Manners School

U13 XI won 2-0 (Laura Knowles 2)

The U15 match was cancelled late on Friday due to Lady Manners not being able to raise a team.

Wednesday 26 September

v Wilmslow High School

1st XI lost 0-2

This was a much improved team performance against strong opposition, who have some established regional players. King's held their own and should be proud of a respectable final score, King's had opportunities to level the score and continued to play strongly in the second half despite being 0-1 down at half time. The new side played confidently together, creating great movement of play, which bodes well for the future. A new role in defence for Charlotte Henshaw proved to be a good tactical decision as she held her own against a very experienced Wilmslow front line. Our first win of the season must surely be just round the corner if we continue to improve at such a rate.

Katherine Baker

Captain.

Thursday 27 September

v Tytherington High School

U16 lost 2-0

Not their best performance but everyone tried hard.

I think the Tytherington player who is the U17

England Football Team captain made quite an impact with her hockey skills and strong presence on the pitch. Having said that Hatty Ravenscroft proved a very capable match for her! The result was disappointing.

Saturday 6 October

v Mount St Mary's College

U15 XI won 1-0 (Kim Lawrence)

U14 XI drew 0-0

U13 XI lost 0-2

U12 7 a side won 2-0 (Alix Davies, Justine Blake)

Wednesday 10 October

Girls' U19 National Hockey Tournament

Cheshire Round

Held at King's School Chester

King's played some excellent hockey. They are beginning to jell together very well now.

v Wilmslow High School lost 0-2

v Queen's School Chester won 1-0

(Katherine Baker - fantastic goal!!)

King's went through to the semi finals to play Lymm High school and were unlucky to Lose 1 - 0.

However Lymm went onto beat Wilmslow 2 - 1 in the final .

To lose to the eventual winners showed that they had put on a very creditable performance.

Saturday 13 October

U16 National Schools Hockey Championships

County Finals

Nine teams entered.

King's were in section 2 and played 3 matches.

v Lymm High School drew 1-1

v Christleton High School lost 2-0

v King's Chester lost 4-0

We had obviously been drawn in the hardest section and faced the eventual finalists early on. Some fine hockey but just not good enough on the day. Well tried to everyone who 'flew the flag' for King's Macclesfield on Open Day down in Chester.
