

THE KING'S SCHOOL IN MACCLESFIELD

INFANT & JUNIOR DIVISION SCHOOL RULES

Our rules are designed to promote the kind, caring and welcoming environment in which our pupils thrive. We want everyone to feel proud of being a part of King's, acting with courtesy and consideration both within school and in the wider community. Our rules aim to enable all pupils to achieve their full potential in secure, supportive surroundings and they apply whilst travelling to and from school, throughout the school day and on all school related activities.

The Infant and Junior Division uses the SCARF system of values to promote a happy and positive community. The Division uses a layered approach according to the age of the child.

The acronym SCARF stands for -

S - Safe

C - Caring

A - Achieve

R - Respect / Resilience

F - Friendship

SCARF connects our pupils, parents, staff and the wider community. We believe that these values both protect our pupils and teach them the skills and attitudes they need for life as active citizens in local and global communities. We aim for the pupils to live the values every day and wear their King's SCARF with pride:

- Pupils show **respect**, **care** and **friendship** towards peers, teachers and all members of the support staff.
- Pupils always behave in a way that ensures that they and others stay **safe**.
- Pupils treat items of school property with **care** and **respect** and also the property of others.
- In lessons, pupils show **respect** to their peers and the teacher, which ensures that all children can **achieve**.
- Pupils do their best in every lesson, demonstrating **resilience**, and thus **achieving** to the best of their ability.

Infant Department School Rules

In the Infants, Queenie has inherited 'Golden Rules' which were established by our recently retired Kingsley bear. The Infant rules are displayed in classrooms, shared spaces and reiterated in Infant assemblies throughout the year.

Queenie has high expectations for all pupils in the Infants:

- We are always **kind**, **polite** and **caring**.
- We always **do our best**, **work hard** and try new things.
- We **take care of each other's belongings** and the school.
- We **listen carefully** when someone is speaking.

Queenie

In our weekly celebration assembly, Queenie is awarded to the class that has demonstrated the school rules most admirably and she has the pleasure of spending the following week with that class.

Junior Department School Rules

In the Juniors, pupils embrace the many opportunities of representing the school: through sporting fixtures, musical performances, academic enrichment opportunities and meeting prospective pupils and their families at different school events throughout the year. At all times they are expected to observe the highest standards of consideration, courtesy and respect, uphold the school's reputation and exemplify the values that King's stands for.

Behaviour, attitudes and expectations

- Pupils must observe the SCARF behaviour code, behaving with courtesy and showing respect and good manners to all.
- When the whistle blows to signal the start of the day at 8:30am or at the end of morning and afternoon break times, pupils should calmly and quietly join their group lines and ensure their uniform is smart. The lower and upper junior class that does this the best each week is awarded the 'Best Class' trophy in Friday's Celebration Assembly and they receive additional play time as a reward.
- Pupils are expected to be punctual for all activities. They should be in their classrooms by 8.40am in time for registration and latecomers must report to the Infant & Junior Office.
- Pupils should prepare for the start of lessons and extra-curricular clubs. When moving to a different room for a lesson or club, pupils should form an orderly queue outside the room and wait for the teacher before entering.
- Pupils wishing to be excused for a music lesson, sports match etc. must seek permission from the appropriate teacher before leaving.
- Pupils must not run inside school, and all must keep to the left when walking along corridors or when using stairs. Pupils must not behave in a way which may lead to damage or injury to people, displays or resources.
- Pupils must not leave the premises without permission. Pupils needing to attend medical appointments etc. should report to the Infant & Junior Office to sign out and sign in upon return to school.
- Pupils must abide by the separate ICT Code of Conduct and E-safety Rules in place for online etiquette. (See appendix A) They are expected to behave appropriately when using all electronic media whether in school or at home.

Personal safety and good health

- At dry break times and lunch times, pupils must go outside and nobody should be inside the school without permission or supervision.
- Pupils should stay within allocated play areas.
- Pupils should not go on wet or muddy areas (unless for a designated lesson).
- At wet break times, staff monitor classrooms and pupils stay in their designated areas, occupying themselves sensibly using the activities left by the Form Teacher.
- Play equipment is assigned to each year group and is used in designated areas.
- Lightweight footballs/netballs can be used, but only in designated play areas.
- Pupils must not bring dangerous items into school such as knives, matches, darts etc.
- King's is a nut-free school and pupils must strictly adhere to this expectation.
- Dangerous and/or rough games are not allowed.
- Physical violence is unacceptable, as is any act of intimidation, racism or verbal abuse.

- Bullying in any form is not tolerated.

The school environment

- Pupils should show respect for the school environment at all times.
- Pupils should help ensure that the school and its grounds are kept clean and tidy.
- Pupils may consume **healthy** snacks at breaktimes. At wet break, snacks may be consumed in the classroom, provided no litter is left.
- At lunch break, all food and drink must be consumed in the refectory. After eating, pupils go straight outside to play, seeking permission from an adult if they need to go into the school for any reason.
- Chewing gum is not permitted in school.

Dress and Personal Property

- Pupils are expected to take pride in their appearance whilst representing the school, following the uniform dress code at all times.
- Hair should be neat and tidy (tied up if below shoulder length).
- Pupils are responsible for their own belongings and keeping them in order.
- The belongings of others may only be borrowed with permission of the owner.
- Pupils should not bring large sums of cash (i.e. in excess of £5) into school. Valuables should be left with the Form Teacher.
- Buying and selling are not permitted on school premises without the permission of the Class Teacher or Principal/ Vice-Principals.
- Equipment such as games consoles are not allowed in school, unless agreed by a teacher. The school cannot be held responsible for damage or loss of personal property.
- Pupils are not permitted to bring mobile phones into school, unless they use school transport or have different end of day arrangements. Pupils requiring phones after school must hand them in to Form Teachers prior to registration and they will be stored securely until the end of the day. It is the pupil's responsibility to collect the phone at the end of the day, keep it safe and not use it in school without permission.

Any failure to adhere to the expectations within the **School Rules** will be dealt with through the sanctions contained within the Behaviour Management Policy.

In addition to this we have the Home School Agreement in the Planners.
